## Winter 2017 Newsletter

We would like to welcome any new residents to the neighborhood!

At our recent annual homeowners meeting, Romeo Andriaфанomezana and Jake McKell were voted in as board members. We still have two vacancies on the board that need to be filled. Board membership consists of monthly board meetings (typically 60-90 minutes) held on the first Tuesday of each month at 6:00 PM, as well as weekly communication via email and/or text message. If you are a homeowner willing to serve in this capacity, please contact a board member or email us at [whisperingspringshoa@gmail.com](mailto:whisperingspringshoa@gmail.com).

We'd like to remind community members of the following:

- **PET OWNERS:** Pets must be kept leashed and supervised at all times when out of doors. As a community member and pet owner, it is your responsibility to clean up after your pet(s) to keep our common areas clean and enjoyable for everyone. Failure to do so can result in fines.
- **PARKING:** There is absolutely no street parking. A limited number of parking stalls are available for visitors. A permit is required for overnight parking in these visiting parking areas. To request a permit, please visit <http://whisperingspringshoa.org/parking-passes/> and complete the form. A board member will email you to confirm that your request has been processed. It is unlikely that requests submitted after 9:00 PM will be handled until the following day, so please plan accordingly. If you have not been contacted by a board member, your request has not been processed and you will need to make alternate parking arrangements for your visitors.
- **INTERNET:** If you have problems with your Internet service, you will need to contact SUMO's customer service directly at 801-320-1000 or [sumofiber.com](http://sumofiber.com). Each unit in the neighborhood is included in the account under Whispering Springs.
- **SNOW REMOVAL:** As we move into the winter months, please be aware that residents are responsible for snow removal from driveways and the walkways leading up to the door.
